No. 3035/C,
Office of the
Remembrancer of Legal Affairs,
Bombay Castle (Bombay No.1), 27th April 1953.

C I R C U L A R.

It has been noticed that while submitting their bills for fees and law charges to the Remembrancer of Legal Affairs for countersignature most of the District Government Pleaders do not state the number and date on such bills. This causes difficulty in verifying their monthly statements of expenditure.

All the District Government Pleaders and Public Prosecutors are, therefore, requested to state the number and date on all the Bills preferred by them for fees and law charges both in Civil and Criminal matters, and forward to this Department duplicate copies of such bills treated as vouchers along with their monthly statements of expenditure showing separately the details of expenditure as in the appended form. The District Government Pleaders are instructed to forward the montaly statements for the month of April 1953 showing the particulars as specified in the appended form.

In continuation of R.L.A's Circular No. 9858/C, dated the 27th April 1953 regarding submission of the monthly statements of expenditure, the District Government Pleaders, and the Public Prosecutors are informed that they should scrupulously follow the instructions contained in R.L.A's Circular referred to above and submit their two statements of expenditure seperately, one for fees and law charges in Civil Cases and another in respect of fees in Criminal Cases.

2. Care should, however, be taken to see that each item shown in such statement is supported by the voucher number (along with date) under which the bill is passed. The progressive total taken therein should be correct and uptodate. It should be worked out by adding the total expenditure of the previous month or months to that of the month in respect of which the Statement is submitted.
